Lo sviluppo locale di tipo partecipativo: l'approccio LEADER, il nuovo strumento Community Led Local Development e la formulazione dei piani di sviluppo

This short Note presents the main instruments aimed at sustaining local development strategies in the 2014-2020 programming period of the European Structural and Investments Funds:

- LEADER approach (within rural areas/regional Rural Development Programmes),
- the new instrument 'Community Led Local Development' (CLLD).

The Note provides an overview of theoretical framework and tools for territorial policies and places marketing, including SWOT analysis, logic models and Porter's diamond.
In addition, main approaches to formulating development plans (Logical Framework Approach, Results-Based Management and Outcome Mapping) are dealt with.
